

Feeding the Soul of the City is Matt Talbot Kitchen & Outreach's annual fundraiser.

Your sponsorship allows us to serve the needs of Lincoln's working poor and homeless by relieving hunger, overcoming homelessness, addressing addiction, and providing outreach and advocacy.

Matt Talbot is the largest provider of prepared, free nutritious meals in southeast Nebraska. Meals are served twice a day, every day of the year.

Matt Talbot's substance use program provides transitional housing, counseling, advocacy, referral, education and free substance use evaluations to help the homeless seek treatment.

Our Landlord Liaison Project builds relationships with local landlords to encourage the availability of safe and affordable housing for prospective tenants who are homeless.

Street outreach staff seek out individuals and families experiencing homelessness who are unsheltered living on the streets, in campsites, or in their vehicles to provide basic first aid supplies, non-perishable food items, personal care items, bedrolls, and above all, compassion.

Staff at Matt Talbot offer a life skills and tenant education program year-round. Courses in budgeting, employment and housing help those experiencing homelessness return to self-sufficiency.
