Disclaimer: Please note that the meal numbers provided are from the tray count reported by volunteer teams. We typically provide meal counts at the end of each month based on our servicepoint scanning system. This number is what we report to our funders and annually to the community. It is typically slightly higher and deemed more accurate. However we cannot provide the servicepoint number daily due to the system we have so please feel confident using the tray count which may be slightly less but very close to the actual count.
